Principal's Corner... The Polar Plunge is over. Some people thought it was a crazy idea and others were probably wishing they could try it. The whole concept reminds me of the commercial "What would you do for a Klondike Bar?" We do a lot of crazy things for many different causes. If we are willing to do these things to raise money or raise awareness in our community, shouldn't we be ready to dedicate our life to the mission of Jesus Christ who died and rose for us. God has truly blessed us and is there for us. My question for you is "What will you do for Jesus Christ?"

Basketball Tournament...A BIG Thank You to everyone who participated and those who gave donations and time. It was a great success and a lot of fun.

Congratulations to both our Girls and Boys for placing 4th in a field of 8 teams, and to our Cheerleaders who did a great job!

Chapel Offering last week totaled \$51.34. Thank you for sharing what God has first given you. Last quarter's chapel offerings will be split between the Janesville Food Shelf and Lutherans for Life.

This week starts a new quarter. This quarter's chapel offering will go to "**Giving Gardens**" **Hearts for Jesus Project**. Our goal is to raise \$500.

Every \$500 donated to Giving Gardens supports:

- Garden seeds that can produce nutritious vegetables will feed many families. Vegetables and fruits can transform sick and malnourished children into healthy and energetic boys and girls.
- Surplus food from the gardens is sold to earn money for other kinds of food, for clothing, for medicine and for education.
- Seeds from the produce may be collected and used for the next season's crop.
- Seeds of faith that are planted in young people through special garden schools, similar to vacation bible school, taught by trained teachers and missionaries.

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

What Can I Do in One Hour?????

You can...

- Join our "Trinity Family" as we share in the Christian education of our children
- Share your talents with the students and school
- Meet some new friends
- Make some memories with your child
- Share the love of Christ through the simplest of everyday things

We challenge each school family to get involved with the "Trinity Family" by trying to commit to give one hour a month to their child through the school. It is easy to do. Break up the 9 hours, or lump it all together, an hour here, 4 hours there...just get involved. Education extends from the home to the school. It is as easy as picking up the phone and dialing 231-6646.

February ideas..."What can I do in one hour?"

- Listen to younger students read
- Cut Campbell's Soup labels
- Referee a basketball game
- Help with concessions at basketball games
- Volunteer in the office
- Supervise a lunch/noon hour
- Shelve library books
- Help with Valentine Parties on Feb 12th (K-4)
