

Trinity Tidings

January 7, 2019

Principal's Corner What will 2019 bring? Will there be a breakthrough in the medical field? Will people be cured that did not have a chance before? What will be the next technological breakthrough? There will be many changes and many discoveries, teams winning championships and new entertainment stars. But the one thing that stays the same throughout all the changes in our lives is Jesus Christ, the same yesterday, today and forever. If you believe that Jesus Christ died on the cross for your sins and rose again, you will have eternal life with God in heaven. That is something I am glad will not ever change!

Chapel offerings in the month of January will be given to support **Lutherans for Life (LFL)**. LFL believes that every human life, from conception to natural death, regardless of physical or mental challenges, is precious in God's sight. The focus of LFL is very clear that death is not an acceptable God-pleasing way to deal the life's problems.

We are having a contest between the boys and the girls. So far, the boys have brought in an average of \$.45 and the girls gave an average of \$.39. Offerings are being collected in baby bottles in the classrooms. Students can add money every day during the month. Thank you for supporting this worthy cause as we reflect on the sanctity of life that God has given each of us.

Grades K, 1 & 2 will sing at the Sunday, January 13th, 10:30 am church service.

The year's Wax Museum will be held on Friday, March 1st, in the school gym. Last year we had a Science Fair and this year we are bringing back the Wax Museum. The students are excited to get started and will be choosing their historical figure this week, someone to study and write about, and to portray in costume. Be sure to keep the date open to enjoy this interesting event!

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.
