January 17, 2022

Principal's Corner It seems that things are constantly changing in our world today. Quarantine length, what is a close contact, when should we stay home, when are we allowed to go back to work and school. As we learn more and as different strains of the virus go around, symptoms are different and the regulations change trying to keep up and do the best for today's society.

Among all these changes is the one constant in our life, God. He is the same yesterday, today and will be tomorrow. Sometimes, we try and change who God is, but He does not change. He loves us and cares for us so

much that while we were still sinners, he sent His Son to earth to die on the cross and rise again, so that we all can be saved.

God is the solid rock on which we can build our lives.

PARENT DRIVE DAY Friday, January 21

JWP will NOT be in session – no bussing.

NO SCHOOL Friday, January 28 Teacher workday.

2nd Quarter ends Friday, January 21. Be sure all homework is completed and turned in. Report cards will be sent home on Tuesday, January 25.

January Chapel Offerings will support **Lutherans for Life (LFL)**. LFL believes that every human life, from conception to natural death, regardless of physical or mental challenges, is precious in God's sight.

Offerings are being collected in baby bottles in the classrooms. Students can add money every day during the month. Thank you for supporting this worthy cause as we reflect on the sanctity of life that God has given each of us.

Another Fun Run Prize! All students who brought in at least \$25 for this year's Fun Run will receive an ice cream treat on Friday, January 21. Thank you to all who helped make the 2021 Fun Run a great success!!

The Trinity Silent Auction is set for Sunday, March 6, and goes on during the PTL Brunch. The auction is run by the school with monies going to help defray the cost of the school and keep tuition at around 1/3 of the

actual cost to educate a child at Trinity. We are looking for volunteers to help with the upcoming auction.

WE NEED YOU NOW!

- A few people to oversee the auction. Records from past auctions will help guide you.
- Follow up calls to letters already mailed to businesses. List of names/phone numbers ready to use.
- Pickup donations in the surrounding towns
- On the day of the auction, help with various tasks, including checking people out at the end of the auction and calling auction winners.
- Contact business owners with whom you have a relationship for a donation.
- If you have an item to donate, please contact the school.

If you can help in any capacity, please contact Mr. Stockman.

Our School Geography Bee will take place in our gym on Friday, January 21, at 9 am. The top finishers in last month's classroom geography bees will participate:

- Grade 4: Brody Berndt & Kaitlyn Schoenfeld
- Grade 5: Samuel Hoehn & Ashlynn Wolff
- Grade 6: Hannah Marzinske & Olivia Eaton
- Grade 7: Jacey Jensen & Stella Ziemke
- Grade 8: Caleb Wulf & Travyn Shoultz

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

What Happens when Gummy Bears are Put in Liquids?

The second graders did an experiment to find out what would happen with gummy bears were put in different solutions. Their hypothesis was that they would dissolve.

Each student had 4 cups, each with a different liquid solution – salt/water, vinegar/water, baking soda/water and just water. They were very surprised by the results.

Instead of dissolving, the bears absorbed the liquids. They measured the bears to determine which liquids were absorbed more and which

were absorbed less.

They gathered measurements of all the bears to get the range of measurements for the bears in each solution. The bears in water absorbed the most, growing to 2-3 cm wide and 2-3.5 cm high. The bears in salt absorbed the least, growing to only 1-1.5 cm wide and 2-3 cm high.

They also found it interesting to feel the different textures of the bears. Here are their descriptive words:

Salt – Slippery gooey, soggy
Vinegar – jiggly, jello
Water – soft, slimy, smooth
Baking Soda – squishy, bubbles
