

Trinity Tidings

February 28, 2022

Principal's Corner I recently listened to a Bible Study that compared sin to bait and fish. We are the fish swimming around and when we see the bait (sin) it attracts us, because sin comes from our desires. Now what happens to fish that bite on the bait? They die. The bait looks tasty, and the fish think they will get a meal. But once they bite the bait, the fish find it is not as tasty as they thought, and they get pulled into the boat and die. Sin is like that for us. It looks like it will give us pleasure, but once we take the bait, it ends up not being as pleasing as we first thought, and it leads to our death. So, what do we do? Just like the fish in the ocean, if we **Resist!** see that lure of sin, we should just swim away to stay away from temptation. Our sin leads to our death. But the good news is that God has sent His son to redeem us, and buy us back, if we repent of our sins. We were lost to sin but brought back by the blood of Christ.

Bible verse of the week Matthew 9:13 "But go and learn what this means: 'I desire mercy, not sacrifice.' For I have not come to call the righteous, but sinners."

March Chapel Offerings Camp Omega is a Lutheran Camp located right here in Southern Minnesota! As a school we have been blessed to take some day trips to Camp Omega, be involved in youth events, and many of our students and families have enjoyed summer camp there. On March 2nd, Camp Omega staff will come and lead our students in chapel to tell us more about the awesome things they do here. Because of this, we are supporting them with our March chapel offerings. Camp Omega is working on finishing a beautiful retreat center that will be used for more opportunities for people to come to Camp Omega and experience God's love through nature. They are hoping to install solar panels on top of the retreat center to help offset costs of electricity for the building. Our offerings this month will be used to help them with their fundraising efforts. Thank you for helping your children and encouraging them to bring offering so that we can continue to support these awesome causes and spread God's love!

Summer Camp Registration is open and can be done online at Campomega.org or you can contact them at 507-685-4266 or info@campomega.org.

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

Treasure of Friendship This presentation by the MSU Children's Theatre in our gym last Thursday was thoroughly enjoyed by our students. A lonely spellcaster happens upon a jolly band of pirates and is jealous of their friendship. The spellcaster wanted to break them apart so they can be just as miserable. The spellcaster finds out that you do not need to lie and be sneaky to have and keep friends. This was brought to the school with our Student Activity Fund, which is supported with your HyVee receipts.

The Janesville Area Foundation is promoting February as "I ♥ Janesville Area Foundation" month. The fundraising goal for February is \$20,000. As of Thursday, February 24th, JAF had received roughly \$6,600 in support of "I ♥ Janesville Area Foundation" month.

Janesville area community members and businesses are encouraged to make a \$20, \$50, or \$100 donation to the foundation. Donations may be dropped off at the Janesville State Bank or the JWP School District Office, or mailed to Janesville Area Foundation, PO Box 369, Janesville, MN 56048, or by going to bit.ly/ILoveJAF2022. **Please support the Janesville community by making a donation today.**

2nd Graders Working on their AR points

Thanks to Kohl's, Mrs. Steel spent some money to get Eric Carle reading buddies

and books for our classroom library. Whatever it takes to get these kids reading!

Last Tuesday had an Epic Date 2/22/22.

The 2nd graders made 2's day crowns, practiced homophones, matched words with double letters, counted and did math in 2's, double digits, and matched compound words.
