

# Trinity Tidings

April 19, 2022

**Principal's Corner** He is Risen, He is Risen Indeed, Alleluia! This is what Easter is about. Our Lord and Savior, Jesus Christ, defeated death and the devil and rose on Easter morning. This is what being a Christian is all about. If Christ had not been raised from the dead, we would still be guilty of our sins and would receive eternal death. One writer says, "The resurrection is a keystone in the arch of the Christian faith." Without it, our faith falls apart, but because we know our Savior

has Risen, we rejoice with all the believers in Christ and proclaim the victory achieved once and for all for all of us. This is why we have a Lutheran School, to teach children the truth, to teach them Jesus Christ was

crucified, rose from the dead and ascended into Heaven, waiting to welcome us home and to say, "Well done, good and faithful servant."

God takes care of us, let's reach out and help take care of those in need.

"But if anyone has the word's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him? Little Children, let us not love in word or talk but in deed and in truth" 1 John 3:17

### Thank you! Card & letter was received for your February Chapel Offerings.

Dear Trinity Lutheran School,  
Thanks to each of you for the \$204.39 donation to Helping Hands. As you can see from the summary (below), we've been busy supporting the Romanian Lutherans as they help Ukrainian refugees across the border to safety and get them food, water, and shelter. So far, they've helped over 1,500 Ukrainians.

*Linda Phillips, Helping Hands*

### Ukrainian Refugees find refuge in Romania

"Our God, our Help in ages past, Our Hope for years to come, Our Shelter from the stormy blast, and our eternal home."

Here are some of the Ukrainian refugees just after their arrival in Romania. In the lower left corner is Sergiu Trifa, our Romanian helper. Sergiu has helped

hundreds of refugees across the Ukrainian-Romanian border. He has gotten them food, water, shelter, medicine, if needed, as well as prayers and devotions in Ukrainian.

This first group included the family members of a couple Ukrainian Lutheran pastors from southern Ukraine. In a note to one of these Lutheran pastors, still in Ukraine, Sergiu wrote, "Pastor Timerkan, it is almost 4 AM here and they have arrived

and are in a safe place! God is good and merciful! They are all in a place with heat and food and the needs they have! We are going to take good care of them! God bless you!"

Here's Pastor Timerkan's reply on Thu, Mar 3, 2022, at 10:55 PM. "About meeting. My wife was impressed at how nice Romania greeted our people. You are so kind! Thank you! Thank you! Thank you! You are God's merciful hand for our people today. I will be thankful to you and your country and people who helped to organize if for the rest of my life."

# Sky Dome Planetarium

Are you Ready to Blast Off?

Take your students on a 45-minute journey through the universe from the comfort and security of your own school. Our portable, inflatable planetarium will come right to your location and dazzle your budding astronomers as they are taken on a tour of the solar system.

Students will enter the dome and be introduced to a "star filled" sky. Our navigator with the use of a digital planetarium projector and a laser pointer, will guide students through the stars of the Northern Hemisphere exactly as they appear on the day of the presentation.

Students will learn how to identify every planet in our solar system in dramatic "flights" towards each world. They will be introduced to Greek mythological characters and see how these heroes of the past can be found in the stars. Students will witness the night sky in different seasons and from different global perspectives.

The Sky Dome Planetarium can be quickly and easily set up in most gymnasiums or other large rooms with a high ceiling. It has delighted students in thousands of schools throughout the country and we are confident that you will be thrilled by the excitement and enchantment this program offers. All presentations are tailored for each age group (K-8) and will provide appropriate academic content.

**PTL has arranged for Mobile Ed Productions to have this assembly at our school  
on Wednesday, April 20.**

**It will be held in our gym.**

**1:15 for Kindergarten thru Grade 4**

**2:00 for Grades 5 thru 8**
