Principal's Corner When suffering from an injury, we seek help for pain relief. This can come in many forms, from a simple pill, to physical therapy, chiropractic care or even surgery. When we suffer from pain, where do we turn. In the words of the psalmist, "Where does my help come from? My help comes from the Lord." God wants to hear about the problems and pains in our lives. He wants us to come to Him and unload our burdens. He created us, loves us and cares for us and wants to be a part of our lives. Let's be in the habit of turning to God in all situations and letting Him help us in our times of need.

April/May Chapel Offerings will go to help support Camp Omega

The most valuable gift you can give a child is the opportunity to develop independence, self-worth, leadership, responsibility, and most of all, life-long faith in Jesus Christ. At Camp Omega, children develop a stronger sense of self, others, and God; they learn how to navigate the world successfully; they learn resiliency; and they learn the value of healthy, Christ-centered relationships. Thank you to those who have brought in offerings, \$145.45 has been received to date.

Grades K-2 Choir will have their **Mini-Concert** on Wednesday, May 8, during the 6:30 pm church service.

Grades 6-8 Choir will sing with the Church Adult Choir on Sunday, May 12, during the 10:30 am church service.

Along with many other schools across Minnesota, we will be participating in the Minnesota Bike to School Day. Biking to school allows for exercise before starting the day and improves children's learning. **Join us on May 8th** for Bike to School Day, an annual celebration that promotes biking to school as a fun and safe activity for students.

Seventh and eighth graders spent last Thursday at Farm America learning about careers related
