Principal's Corner How do we know what we should do when it comes to big decisions? You can do all kinds of research and make a list of pros and cons. You can also seek divine intervention. Yes, you can ask God. Are you not able to hear what God is telling you? I read a devotion that listed three things we need to do in our lives to be able to hear God.

First, set aside a regular time and place to listen to God. You need to know yourself. Do you need to do this first thing in the morning, do you set aside time at night, or do you have a different time that works for you? Find a time and be consistent.

Second, you need to have an open Bible. God speaks to us through his words, we need to be in his word to hear what he has to say to us.

And third, we must have a listening heart. We need to be open to what God has to say to us. If we want to be like Jesus, we need to spend time talking with our heavenly father and be ready to give our lives to him.

Bible verse of the Week

Psalm 119:11 *I have stored up your word in my heart, that I might not sin against you.*

Thank you to PTL and all the parents, volunteers, and students for making the teachers and staff feel extra special during Teacher/Staff Appreciation Week!

May Chapel Offerings – Adopt-A-Student Scholarship

May's chapel offerings will go to our Adopt-a-Student Scholarship. We want every family interested in enrolling their children to have the opportunity to attend our school. This scholarship is offered to families not currently attending Trinity Lutheran School to encourage them to enroll their children. This makes it easier for new families who may not know if they can afford Trinity, to decide to enroll their children in our school. Your chapel offering will help provide another family the opportunity that your children have to hear the word of God each day they are in school. Last week the chapel offerings totaled \$49.29.

Also, since we surpassed our goal, PTL will serve root beer floats and sundaes Thursday, May 26th, after lunch for all students and staff.
