

# Trinity Tidings

September 7, 2021

**Principal's Corner** It is always good to have the students back in school, and there are always many things that need to get done the last few days before school starts. At the beginning of summer, it seems like there is so much time to complete all the plans for the next year. But the next thing we know the summer is over and we are scrambling to get ready for the start of school.

Often, we take the same approach with our faith. We plan to read our bible, attend bible class, go to church, go on a mission trip and the next thing we know our life has passed us by and we did not accomplish many of these things. At Trinity we hope to instill the good habits of daily devotions, prayer, bible reading and church attendance in our students so, they will not depart from them as they get older. They say a journey starts with the first step, so if you have been planning to do some of these things, it is time to take the first step.

**TAKE  
THE  
FIRST  
STEP**

**Tuesday Talk** New this year will be Tuesday Talk, an opportunity for parents to talk about the school, talk about God, and talk to God. Principal Wade Stockman will lead this Tuesday mornings from 8:30 – 9:10 am in the TLC Discipling Center fellowship hall. Come join with other parents for a time of fellowship and getting closer to God starting on Tuesday mornings.

## Questions for Parents to ask your student about their school day.

- Tell me about the best part of your day.
- What was the hardest thing you had to do today?
- Did any of your classmates do anything funny?
- Tell me about what you read in class.
- Who did you play with today? What did you play?
- What's the biggest difference between this year and last year?
- What rules are different at school than our rules at home? Do you think they're fair?
- Who did you sit with at lunch?
- Can you show me something you learned (or did) today?
- Do you think math [or any subject] is too easy or too hard?

***We are His Masterpieces***

**2021 Color Fun Run**

**13<sup>th</sup> Annual Fun Run Fundraiser**

**Sept 24, 12:45-2:45**

At last Friday's Kickoff, all students were given an informational letter and sponsor sheet. Be sure to **gather your pledges from friends and family!**

Students may obtain pledges per lap or donations. On the day of the Fun Run, they will run laps around the playground. Our goal this year is to have 100% student participation and to raise \$18,000. Monies raised help pay for many items needed for our students.

- PTL will provide a free water bottle to each student and will sell popcorn, bars, cookies and Gatorade.
- Volunteers will be needed. Look for the SignUpGenius email from PTL coming out next week.
- Since it is a color run with colored powder tossed at them, students are encouraged to wear a washable white or light-colored t-shirt, along with fun and colorful accessories such as hats, tutus, capes, wigs.
- We hope you can join us for this fun event!

***Be Ready for Some Fun at the FUN RUN!!!***

**September Chapel Offerings** will go for the **Haiti Disaster Response** efforts being made after Haiti suffered a 7.2 magnitude earthquake on August 14. The LCMS World Relief and Human Care Disaster Response is responding to the situation by providing food, clean water, and medical supplies. Then they will move toward reconstructing or repairing homes and church buildings. Our chapel offerings will help support these efforts. \$28.71 was collected last week.

*Please give generously of the gifts God has first given you. God takes care of us, let's reach out and help take care of others.*

*The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.*

**NWEA Measures of Academic Progress® (MAP®) Testing** will take place on and off from **September 13-24 for grades K-8**. Please be sure your children have healthy breakfasts and adequate sleep. A pep talk about not rushing and reading through the questions carefully would also be appreciated!

MAP Testing presents students with engaging, age-appropriate content. As a student responds to questions, the test responds to the student, adjusting up or down in difficulty. As students answer a question correctly, they get a question of higher difficulty. If the students do not correctly answer the question, the next question will be a little lower in difficulty. Through this process, we will get a better idea of what the student knows. This results in a rewarding experience for the student, and a wealth of detailed information for teachers, parents, and administrators.

**PTL Meeting** will be held on Thursday Sept. 9, 7 pm in the church library. All parents are welcome to attend.

### Submit your Favorite Recipes

PTL is putting together a custom cookbook and is still looking for more favorite recipes. If you have not submitted your favorite recipe(s) please send in soon. A

recipe collection sheet will be emailed out to all families and is available at the school office.

School Picture Day will take place on **Thu, Sept 23**.

If you have not turned in your Butter Braid orders, **please turn in by Wednesday**. This will provide the needed time to process them before

submitting them on Friday. Remember to turn in all money with the orders.

Thank you to those participating. This fundraiser helps subsidize our teachers' trip to the National Lutheran Education Association convention.

- **Pick up on Thursday, September 23, 3:15pm- 6pm**, at gym doors.
- If you need to make different arrangements for pick up, please contact Joan Quiram at school.

**MASKS** Please note, although masks in our school are optional, if your child rides a bus, they are **required to wear a mask**. Please make sure they carry an extra mask in their school bag. Thank you!

## Go Cardinals!
