

# Trinity Tidings

September 20, 2021

**Principal's Corner** The other day I passed one of our new

lower elementary students in the hall and he told me he liked me as his PE teacher. I thanked him and he went on to say, "you don't try to be mean." I guess I can take that. If we go through our day and try not to be mean to others, I think the world will be a better place. Jesus did not try to be mean to people when he was on this earth. Sometimes he told them the truth and they did not like what he had to say. But he never did it to be mean. He only did it so they would see their sin, repent, and be saved. So, thank you, I do not try to be mean, I try to follow God's will for my life and the commandments He has given to all of us.

**September Chapel Offerings** will go for the **Haiti Disaster Response** efforts being made after Haiti suffered a 7.2 magnitude earthquake on August 14. **Apple Tasting Time.** The 2<sup>nd</sup> grade students tasted three different kinds of apples and then wrote about their favorite. Some liked red the best, some liked yellow and some liked green. Other comments were that apples are the best fruit, and they are crunchy. You can make pie, apple chips and apple juice. Apples are very tasty!

### 2nd Graders Learning their Spelling Words

using a variety of methods, including Magna Doodles, stamp out words, and make a word search.

**International Dot Day**, a global celebration of creativity, courage, and collaboration, began when teacher, Terry Shay, introduced his classroom to Peter H. Reynolds' book *The Dot* on September 15, 2009. The story is about

a girl who doesn't have the confidence to draw. So, the teacher encourages her to start by making a mark, one little dot. Dot Day is about making your mark and doing your best to give it all you got. Our 3rd graders challenged the 4th graders to outdo each other with kindness and giving encouragement. The 3rd grade students wore dots, ate dots, and made dots all day long. They had fun making their mark. **Let's encourage others with kindness to do their best, to make their mark and see where it takes them.**

**The Big Bad Musical** The date for this musical, performed by students in grades 6-8, has been **moved to Friday, October 29**, to allow more time to prepare. Even those who do not have a part will be participating.

## Farm and Home Safety Day

After being canceled last year, the 5th graders were able to attend the Farm and Home Safety Day

once again at FarmAmerica. This event is sponsored by the Waseca County Farm Bureau and the NRHEG and Waseca FFA chapters. Students from WEM, JWP, NRHEG, Waseca and Trinity Janesville attended safety classes pertaining to lawn mowers, chain saws, and trimmers; ATV's, snowmobiles, and boats; tractors, elevators, and PTO's; electricity, chemicals, and animals. The students witnessed a mock farm accident, where local paramedics and firefighters showed how they help accident victims. Each student received a free t-shirt and information booklet on safety. This valuable education day was free to all students.

**Join Us! at Crossfire**, a youth led opportunity for prayer and praise. Students grades 7th-12th are invited to attend. It is held Sunday evenings, at TLC chapel, 7:30-8:30pm. The next one will take place **October 10.**
