

# Trinity Tidings

September 21, 2020

**Principal's Corner** Early in my teaching career, I learned a very valuable rule. If you make a rule, you better make sure you stick to it. Also, before you make a rule, be sure you are willing to stand by it. If the class is very noisy, sometimes a teacher will say, "The next person to talk will lose recess." Almost every time, the next person to talk will be the student who was not making any noise that caused the rule, and now you must make a decision. Do I enforce what I said and punish this person for breaking the rule, or do I not enforce my rule and cause my words to not mean as much?

God gives us His rules in the Bible and does not make an exception for us when we break them. The punishment for our sins is death. Instead of bending the rules to let us in, He sent his son, Jesus, to take our sins and consequences upon himself in death so that our slate is wiped clean and we can enjoy eternal life. God's rules are still intact, and we are to follow them. We should live our lives in a way to give Him thanks and praise.

**September Chapel Offerings** We continue to collect for Central Lutheran School in Newhall, IA, which was severely damaged on August 10<sup>th</sup>. So far, \$97.57 has been received in chapel offerings.

**3<sup>rd</sup> Grade Bible Distribution** has been taking place at Trinity Lutheran Church this past week. The last distribution will be during the 6:30 pm service on Wednesday, Sept. 23. Our new students in grades 4-8 were also given a bible at the beginning of the school year.

**NWEA Measures of Academic Progress® (MAP®) Testing** continues this week for grades K-8. Please be sure your children have healthy breakfasts and adequate sleep. A pep talk about not rushing and reading through the questions carefully would also be appreciated!

**Help Wanted** SAC Program on Tuesday and Thursday, 3:00-6:00pm. If you are interested or know of anyone who is, please contact Wade Stockman.

## *Faith, Hope & Hearts of Gold*

**12<sup>th</sup> Annual Fun Run** Sept 25, 12:45-2:45

*Be sure to gather your pledges from friends and family!*

If this will be your first time experiencing the Fun Run, some of the kids go all out with tutu's, hats, capes, colored wigs, anything crazy. Students are encouraged to wear gold or yellow, lots of bling, something original or just come and have fun. To add to the festive moods, there will be music provided by Sheryl Williams with Brandon Johnson as the DJ. Social distancing will be emphasized. To keep the classes separated, there will be other scheduled activities. Each class will run laps at scheduled times. With only half the student running at any given time, they will be able to spread out.

PTL will provide a free water bottle to each student. They will also have a concession stand where students may purchase treats. When sending money with younger students, please send in an envelope or baggie. Parents are welcome to come and watch or help. Since this activity is outdoors, masks will be optional.

Our goal this year is to have 100% student participation and to raise \$16,000. Monies raised help pay for many items needed for our students.
