Principal's Corner

I praise you because I am fearfully and wonderfully made; your works are wonderful; I know that full well. Psalm 139:14 The psalmist David here praises God for how he was created. We can thank God for how we are all unique and how God has made each one of us. Even if we have something wrong with us, we know that one day we will be restored in Heaven and our bodies will be made new. We can rejoice that God has given us life on this earth and we will one day have eternity with Him in Heaven. So, while we are here, let us lift our prayers to God to protect our church and school and all our members. Pray that we may be a light in this dark world and that God's will be done while we are on this earth. Pray that we live out what God intends for each of our lives and that more people may come to know Jesus as their Savior.

Pray, praise, and give thanks, that is how we should live our lives so that how we live will be a testimony for others to see and to help them in their faith.

PARENT DRIVE DAY Monday, January 23

JWP will NOT be in session – no bussing.

January Chapel Offerings will support **Lutherans for Life (LFL)**. LFL believes that every human life, from conception to natural death, regardless of physical or mental challenges, is precious in God's sight. Offerings are being collected in baby bottles in the classrooms. Students can add money every day during the month. Thank you for supporting this worthy cause as we reflect on the sanctity of life that God has given each of us.

The Trinity Silent Auction is set for Sunday, March 12, and goes on during the PTL Brunch. The auction is run by the school with monies going to help defray the cost of the school and keep tuition at around 1/3 of the actual cost to educate a child at Trinity. We are looking for volunteers to help with the upcoming auction.

- A few people to oversee the auction. Records from past auctions will help guide you.
- Follow up calls to letters mailed to businesses
- Pickup donations in the surrounding towns
- On the day of the auction, help with various tasks, including checking people out at the end of the auction and calling auction winners.
- Make a personal contact for a donation from business owners you know
- If you own a business and have an item to donate, please contact the school.

Please contact the school office if you can help in any way.
