## Principal's Corner Revelations

2:17 says, "I will also give to

each one who wins the victory a white stone with a new name on it." God has a special name for each one of us, given to us by God himself. Maybe you have a special name for your children, or your parents or grandparents had a special endearing name for you. It is great to know that God loves us so much He has a special name for us. When I read the above verse, it was great to hear, but then the devil started working. The devil takes anything good and tries to make it bad. Maybe when you read the verse, the devil starts getting in your head telling you that your name is nothing special, maybe your name will mean mess up or did not really achieve what you should have. Or maybe the devil works on your pride and starts telling you your name will be better than other people's names. You are so good that you will be given a name above other names. We need to resist those voices and go back to hearing what God is telling us. You have run the race, you have fought the good fight, you have believed in Me and I have a name for you my child. God loves us, cares for us and has a place for us in His eternal kingdom.

**Midterms for grades 3-8** will be sent home with students on Tuesday, October 6. After reviewing, please sign and return to school.

**October Chapel Offerings** will be collected to help with shipping Operation Shoeboxes to very special children all over the world. We are also asking that Trinity families pack at least one shoebox with one wow item (like a soccer ball and pump or stuffed animal) then fill with other fun toys, hygiene items, and school supplies. This will be the only Christmas gift many of these children will ever get, so have fun and share Jesus' love. You can even include a note and picture from your family. Operation Christmas Child will add the story of Jesus in the child's own language to every box. For information on how to track your shoebox visit <https://www.samaritanspurse.org/operation-christmas-child/pack-a-shoe-box/>
