

# Trinity Tidings

October 7, 2019

**Principal's Corner** There are two different phrases I love to hear, "Gramps's sit" and "again, again, again," words spoken to me by my grandson. The first means he wants me to sit by him so we can do something together; and the second means I liked what we did and let's keep doing it. I'm sure as my grandson grows up and we have other grandchildren, there will be other words that I will love to hear from them. When my life is done on this world and I am with my Savior in heaven, I hope to hear another phrase, "Well done, good and faithful servant." No matter what is said to us on earth, those words of our Father will mean so much more. We are not perfect, but if we were, we would not need Jesus. We can try and do what our Father in Heaven has planned for us. In the meantime, I will enjoy the special words here on earth until that day God calls me home and greets me in heaven.

**Trinity Tidings** will not be published on October 14. Look for the next one on October 21.

**October Chapel Offerings** will be help with shipping Operation Shoeboxes to very special children all over the world. We are also asking that Trinity families pack at least one shoebox with one wow item (like a soccer ball and pump or stuffed animal) then fill with other fun toys, hygiene items, and school supplies. This will be the only Christmas gift many of these children will ever get, so have fun and share Jesus' love. You can even include a note and picture from your family. Operation Christmas Child will add the story of Jesus in the child's own language to every box. For information on how to track your shoebox visit <https://www.samaritanspurse.org/operation-christmas-child/pack-a-shoe-box/>. In order to get our shoeboxes to the drop off, please bring your shoebox to TLS no later than Wednesday, November 13. Look for more details being sent home with students next week. Thank you to those who brought in chapel offering last week, totaling \$29.73.

**Save the Date: November 3** PTL's **Feed the Farmer** has been changed from October 27 to November 3. More details to come out later.

## Fun Run

As of last Friday, one week after the Fun Run, \$12,283 had been brought in. Congratulations to the students in grade 5. They brought in the highest average/student of \$222.34. This won them a trip to the bowling alley and treats in the classroom. Each class averaged at least \$50 per student and will receive a movie afternoon with popcorn and a drink. Continue to bring in money from your sponsors. Additional money turned in will still count toward individual prizes and the school goal of \$16,000.

Congratulations to Parker Gearity, our top runner with 66 laps. WOW!!! Our students ran a total of 3,167 laps. Terrific job!

As part of Fire Prevention Week, our students in grades K-3 will visit the Janesville Fire Dept on Wednesday.

“Not Every Hero Wears a Cape. Plan and Practice Your Escape!” is the theme for **Fire Prevention Week**, October 6-12, 2019. This year’s campaign recognizes the everyday people who motivate their households to develop and practice a home fire escape plan; these seemingly basic behaviors can have life-saving impact.

“Not Every Hero Wears a Cape. Plan and Practice Your Escape!” also focuses on what a home escape plan entails and the value of practicing it. These messages are more important than ever, particularly because today’s homes burn faster than ever. Synthetic fibers used in modern home furnishings, along with the fact that newer homes tend to be built with more open spaces and unprotected lightweight construction, are contributing factors to the increased burn rate. People tend to underestimate their risk to fire, particularly at home. In a fire situation, we’ve seen time and again that advance planning can make a potentially life-saving difference.

A **home escape plan** includes

- Working smoke alarms on every level of the home, in every bedroom, and near all sleeping areas
- Two ways out of every room, usually a door and a window, with a clear path to an outside meeting place (like a tree, light pole or mailbox) that’s a safe distance from the home
- Practice twice a year by all members of the household

**Crossfire for Youth**, including our 7<sup>th</sup> and 8<sup>th</sup> graders, will be held on Sunday, October 20, at 7:35 pm in the TLC Chapel. Come and enjoy a time of praise and prayer led by youth FOR youth!

### **2nd Graders – Studying Frogs**

In talking about having a classroom pet, the 2<sup>nd</sup> graders thought that a frog would make a great pet. Well, the students brought in 6 the next day, some frogs and some toads. So now, they are taking care of and studying frogs, with each student writing about frogs. What fun!

**Thank you** to all the volunteers who helped make Saturday’s volleyball tournament a success! We need volunteers for the October 15th home games...last games of the season. Kendra will be sending out an email or you can contact her directly.
