

Trinity Tidings

October 21, 2019

Principal's Corner This past weekend we were traveling with my son behind us in his car. I pulled into the turn lane and looked back and my son was pulling into the turn lane but the car behind had already pulled over onto the shoulder trying to get to the turn lane. He made it over safely and pulled over after the turn to let the car pass. The car caught up to me and then proceeded to pass me also. They must have been in a hurry. A little while later down the road, the car had pulled onto a gravel road and was turning around. They must have missed their turn. I thought that car was like a lot of people in the world today. Many are in a hurry trying to get somewhere as fast as they can, but they really do not know where they are going. At Trinity, we teach about the place that we want everyone to go to, and that is heaven. We should live our life here on this earth so that we can all one day be in heaven. Slow down, enjoy life, and know your final destination.

October Chapel Offerings will help with shipping Operation Shoeboxes to very special children all over the world. We are also asking that Trinity families pack at least one shoebox. This will be the only Christmas gift many of these children will ever get, so have fun and share Jesus' love. You can even include a note and picture from your family. Operation Christmas Child will add the story of Jesus in the child's own language to every box. Chapel offering in October totals \$122.43 currently.

Information on how to pack a shoebox was sent home with each student last week. There is also a video on Trinity's Facebook on how to pack a shoebox.

In order to get our shoeboxes to the drop off, please bring your shoebox to TLS no later than Wednesday, November 13.

Thank you to the Janesville Fire Department for their safety presentation/demonstration last week for our students in Kindergarten – 3rd grade. Keep your family safe by reviewing fire safety rules.

Cold Weather Clothing

What to wear when the weather turns cold? Here are the guidelines we use to determine what the students should wear outside. Be advised that we are very firm on these rules, so please make sure that your child has the appropriate clothing that is needed.

Below 55, they need long sleeves.

Below 50, they need a sweatshirt or jacket.

Below 45, they need a winter coat, head covering (hat, headband or earmuffs, NOT just a hood), and gloves or mittens. If they do not have the correct type of coat, or head covering, they will need to borrow from someone else, or use something from the Lost and Found. We do not have kids stay inside unless they are sick.

To play in the snow, they must also have snow pants and boots. They will need to stand on the sidewalk if they do not have either of these items.

Grades 6, 7 & 8 will sing this Wednesday, October 23rd 6:30 pm church service.

Fun Run Results So far, \$14,992 has come in. Please collect the money you raised and bring to school. Additional money turned in will still count toward individual prizes and the school goal of \$16,000.

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

Fall 2019 Sports Highlights

Our TLS VB season has been a whirlwind this year! Thank you to all the parents for the flexibility of practice times while we patiently waited for our beautiful new gym floor to be finished, along with getting new standards and net system!

Our B team consisted of 7 5th-6th graders this year. They worked hard to improve and learn about teamwork, ending with an 8-5 record. Two of them were brand new to VB. Everyone improved a great deal this season!

Our A team consisted of 9 7th-8th graders. They worked hard to improve their skills while learning how to be a teammate. They ended their season with a 10-5 record. We will really miss our 8th graders Ava and Kylie next year! *Coach Heather Dimmel*

The Trinity Soccer Team finished up their year last Tuesday ending with a 0-0 tie with Immanuel Courtland. The soccer team had 20 4th-8th grade students participating this year. They ended the year with a 5-7-2 record. They finished second in the silver division at the New Ulm tournament. We lose three 8th grade players: Cole, Steven and Kylie. Thank you for your leadership this past season. *Coach Wade Stockman*

Tribute to Trinity

The Tribute to Trinity committee has begun planning for our annual dinner and live auction.

Date: Friday, March 27th

NEW location: The Mill in Waseca

Theme: Roaring 20's

In the past, guests have enjoyed dressing up for this event. With Halloween just around the corner, it may be easier to find outfits at this time of year.

Fall Harvest Parties for grades K-4 will take place on the afternoon of Friday, November 1. They will not be dressing in costume but will play games and have treats to eat.

19th Year of Alphabet Day in 1st Grade

Chicka Chicka Boom Boom...yes there was enough room...for all the letters of the Alphabet in the First Grade Room. It was Alphabet Day! The day was all about the letters of the alphabet, books, graphs, spelling, art and more.

It was, of course, AL-PHA-BE-TAS-TIC!
