Principal's Corner

We are in the last week of the first quarter of the school year. We are one-fourth of the way through the school year even though it seems like we just started. Isn't life, like that a lot of the time? One day we are raising our kids and it seems like the next day they are having kids. I once read somewhere that we are currently in the present, and it is called that because it is a gift from God. Each day we have been given by God on this earth is another day we can praise him through our words and actions. We may have questions about what the future holds for us, for our family, for our church and school. But we need to live in the present and accept each day as another opportunity we have to share our faith, to use the talents and abilities he has given each one of us, and to praise God for the mercy and grace we receive when we go to him and repent of our sins. Enjoy this day that God has given us and know that He has plans for each one of us here today.

NO SCHOOL Monday, November 7 -
Teacher Workday

End of 1st Quarter is Friday, November 4. Be sure all homework is completed and turned in. Report cards will be given to parents at Parent-Teacher Conferences.

Parent-Teacher Conferences for students in K-8 will take place on **Tuesday, November 8,** and **Thursday, November 10.** If you are unable to attend at your scheduled time, please contact the teacher or call the school. Thank you!

FALL FESTIVAL

THIS SATURDAY, November 5th, 1-4 PM

outside at the school, activities and treats to entertain everyone and celebrate fall!

Oct/Nov Chapel Offerings are being collected to defray the cost of sending shoeboxes for Operation Christmas Child. This month we are asking that Trinity families pack at least one shoebox with

one wow item and then fill with other fun toys, hygiene items, and school supplies. Information on **How to Pack a Shoebox** was sent home with each student today and includes a label for the box. If you would like more information or if you would like to view some videos on how peoples' lives have been impacted by this ministry, check out their website <https://www.samaritanspurse.org>

We did receive \$129.84 in the October chapel offerings to help fund the shipping of the shoeboxes @ \$9. This will cover the shipping cost of 14 boxes. If you would like to contribute to the shipping cost, you can pay and track your box online or send in money marked for shoeboxes. We will continue to collect offering towards shipping costs.

Be sure to **wrap your shoebox in such a way that the cover can be removed/opened.** Shoeboxes need to be received **by the end of the school day on November 17.**

Uptown Trick or Treating

There was a great turn out last Thursday night. So many kids and families were out and stopped by the booth. A huge thank you to all the volunteers that helped at the booth. Kids enjoyed glowsticks and suckers picked from the lollipop garden at the end of the candy land trail at our TLS booth.

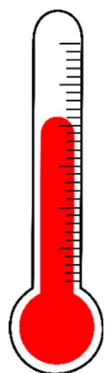

Preschool & Kindergarten enjoying some time at the Harvest Hills Pumpkin Patch!

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

Cold Weather Clothing

What to wear when the weather turns cold? Here are the guidelines we use to determine what the students should wear outside. Be advised that we are very firm on these rules, so please make sure that your child has the appropriate clothing that is needed.

Below 55, they need long sleeves.

Below 50, they need a sweatshirt or jacket.

Below 45, they need a winter coat, head covering (hat, headband or earmuffs, NOT just a hood), and gloves or mittens. If they do not have the correct type of coat, or head covering, they will need to borrow from someone else, or use something from the Lost and Found. We do not have kids stay inside unless they are sick.

To play in the snow, they **must** also have snow pants and boots. They will need to stand on the sidewalk if they do not have either of these items.

If it is **muddy** outside, we will require the students to wear boots, even if there is no snow. This is to make sure we don't track a lot of dirt into the classrooms.

SLEDS that are soft/foam or roll up may be brought and left at school.

EVERYONE should have a pair of tennis shoes that stays at school for gym class and if they forget their shoes.

Our Soccer Team kept our coach very busy with 17 players this year. Out of 12 games this season, they won 5, lost 6 and 2 ended in a tie. All had fun participating with the indoor parents vs players game last week.

TLS A Volleyball Team
2022

We had an incredible season ending this week with a 15-1 final record! Our team was made up of six 8th graders and one 7th grader this year. I've had the opportunity to coach 3 of these girls for 4 seasons and I couldn't be prouder of how much they've improved. We had some close games where we really had to find the mental energy to focus and pull off the win, and they did it! We lost in our tournament to a great team from Holy Cross in Webster, allowing us to take 2nd Place.

Thank you to all the parents for your unending support this season! Thank you for allowing me to pour into your daughters for another season of a game we love.

To view pictures from our season, please check out Leanne's Lens on Facebook as she graciously came over and took some amazing photos of both our B and A teams this season.

We were able to attend a JWP night of volleyball in October and at the end of this month we are heading to a Concordia St. Paul University VB game for some fun team time!! We are also ending our season with a players vs parents night next Monday... which is always a fun/funny night!

Thank you to the families who supported your athletes, to our Soccer Coach Brian Rutt, A Volleyball Coach Heather Dimmer, and B Volleyball Coach Amanda Britton, and to Wade Stockman as our Athletic Director for all the things he did to make it a successful season. We hope this season inspired our athletes to be the best teammate they can be on and off the court and field!
