

Trinity Tidings

November 15, 2021

Principal's Corner In many of today's stores while making a purchase, they ask if you would like to round up for some charity or cause. What if God asked you if you wanted to round up the amount. Now, I am not talking about God suddenly appearing while you write your check or punch the amount in on your phone for your offering. Although if that happened, we would probably have a significant increase in the monies given to the church and school. But what about the time you spend with God.

Instead of two or three minutes with prayer, how about rounding that up to 5 or 10 minutes. Or if you read the bible for ten minutes a day, what about 15 or 20 minutes. How about thanking God for all your blessings every day or two or three times a day, instead of every few days.

Deuteronomy 6 encourages us to impress the commandments upon our children and to talk to them about God's word. Let's round that up and make it happen more often. There are so many things we could round up in our lives when it comes to God. So, the next time a clerk at a store asks if you want to round up your purchase, ***let it be a reminder to all of us to round up the time we spend with God and the time we talk about God with our children.***

November Chapel Offerings will be given to the TLC Caring Fund, which assists families in the community with financial needs, such as helping with utility bills to help keep them warm and gas for vehicles so they can travel. \$145.50 has been received so far this month.

On November 23, the Tuesday before Thanksgiving break, we will be collecting food for the Janesville Food Shelf at chapel.

Grants Received We are very grateful to the Janesville Area Foundation for a \$1,000 grant, and to the Rosenau Legacy of Angels for a \$2,750 grant. These grants will enable us to purchase additional chromebooks for our students.
