

Trinity Tidings

November 7, 2022

Principal's Corner

The days are getting shorter and the nights are getting longer. It really becomes evident now that we have switched off Day Light Savings Time. The days will continue to be shorter until we hit the winter solstice. Right before Christmas, we experience this. It seems fitting that in the darkest time of the year, we celebrate the birth of our Savior. The one who brings the light to our world. We celebrate this great event with singing and Christmas Programs and lights and decorations. It certainly is a time to celebrate the Love God shows us by sending us His Son. The one who is the only way to Heaven. Our Savior comes to us in a humble place, teaching us to be humble. He died for all our sins, so that we can stand before the father with our sins washed in the blood of the lamb. So as the days get shorter and the temperatures get colder, we can get discouraged, but we can remember the celebration that is coming, not only the celebration of Christmas and then Easter, but the celebration when our lives are over and we can embrace our Savior and hear the words, "Well done, good and faithful servant."

November Chapel Offerings

This month we are asking that Trinity families pack at least one shoebox with one wow item and then fill with other fun toys, hygiene items, and school supplies.

Information on **How to Pack a Shoebox** was sent home with each student and included a label for the box. If you would like more information or if you would like to view some videos on how peoples' lives have been impacted by this ministry, check out their website <https://www.samaritanspurse.org>

If you would like to contribute to the shipping cost, you can pay and track your box online or send in money marked for shoeboxes.

Be sure to **wrap your shoebox in such a way that the cover can be removed/opened**. Volunteers with OCC will be adding items to the boxes, including the story of Jesus in the language of the recipient. Shoeboxes need to be received **by the end of the school day on November 17.**
