

Trinity Tidings

February 27, 2023

Principal's Corner This weekend we went out for lunch, shopped a little and just got out of the house for a few hours. As we were leaving one store a father had his 3 little boys with him and as they were walking to their vehicle, he kept looking back to make sure they were all following in line and safely getting to their destination. At another store a dad and one child were returning their shopping cart and as we were leaving a younger child started to dart out in our path. I stopped and he stopped. I waited and let him go ahead. I am not making a comment on either parent and saying one was good or one was bad, but it made me think about our own

Resist! lives. We need to be like the first parent, constantly checking to make sure that we are doing what God wants us to and that we are not letting the devil get a foothold in our lives. It is so easy to be offended or mad about what someone did or said or how they acted towards you. But we cannot let those feelings build into sin and we end up doing or saying something that will be hurtful to others. Keep on guard, remember the devil is walking around like a roaring lion seeking whom he may devour. Do not let him devour you!

March Chapel Offerings We are participating in an international mission project that gives kids the opportunity to help other kids across the globe. School expenses can be overwhelming in Africa, so much so that kids often miss out on school just because their parents cannot afford the additional expenses. That is where we come in. Our gifts will be given to the Global Kids Fund to lessen the financial burden on families in southern Africa allowing more children to remain in school. Gifts will help provide school supply kits to African children. For more specifics, refer to the letter sent home with the Trinity Tidings last week (also in the emails today). Our kids are going to learn about Zambia all week during Lutheran Schools Week and we will collect money for kids in Zambia to be able to get school supply kits!

Kindergarten Round-Up was rescheduled due to the storm last week to Tuesday, March 7th, at 6:30 pm.

Invitations were sent home with current preschool students and mailed to potential students. If you know of anyone interested, please let the school office know or have them contact Jacie for an information packet. 507-231-6646
