

Trinity Tidings

March 20, 2023

Principal's Corner We are in the last week of the 3rd quarter, and in some ways, it seems like the school year had just started. There is a lot of planning going on as we try and make sure we get everything completed before the school year is over. I need to look to the end and make adjustments to what I am teaching this next week to make sure to get everything covered. Our Christian life should also be looked at in the same way. We look to the end of our earthly life, even though we do not know when that will be, knowing we want to be in Heaven with God. For that to happen we make the decisions right now for what we are going through, knowing the decisions we are making now affect us for an eternity. Going to church, reading our bible, training our children to follow God's commandments are all important things to make sure we are setting ourselves up to be in the right place in the end. Plan today, with an eye on eternity.

March Chapel Offerings We are participating in an international mission project that gives kids the opportunity to help other kids across the globe. School expenses can be overwhelming in Africa, so much so that kids often miss out on school just because their parents cannot afford the additional expenses. That is where we come in. Our gifts will be given to the Global Kids Fund to lessen the financial burden on families in southern Africa allowing more children to remain in school. Gifts will help provide school supply kits to African children. All month we will collect money for kids in Zambia to be able to get school supply kits! So far, we have raised enough for about 22 backpacks filled with supplies!! That's amazing! Keep it up!

CONCERT was RESCHEDULED to TUESDAY, MARCH 21st at 6:30 pm for the community. A light dinner will start at 5 for those attending. The students will get their concert at 1:30 pm that day.

Heads up! Grades 3, 4, 5 are no longer singing in April at Church. They will be singing on May 7th instead.

2nd Quarter ends Friday, March 24.

Be sure all your homework is turned in.

No School Monday, March 27

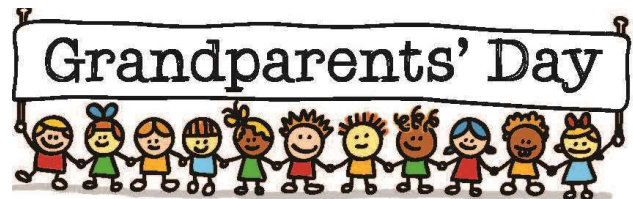

- teacher workday.

The Janesville Police Department will not be letting people park on 4th street to drop off children or wait to pick up

children. Trinity is asking parents to try and use the spots in front of the school or by the gym to park and let your students out. If you are going to drop off by the gym and no parking spots are available, please try to pull up on the Trinity side of the street and have your

students get out on the school side so they are not stepping into the street. There have been some close calls with students getting out street side or getting out of the car on the opposite side and crossing the street. We want all of our students to be safe when coming to school and leaving for the day.

SAVE THE DATE: Friday, April 27 is Grandparents Day and, in the evening, at the Discipling Center will be our Spring production: "Not Your Average Joe" put on by our 6th – 8th Graders.

Thank You to all who helped with the Silent Auction, this fundraiser took in over \$8,300 in auctions items and cash donations. We could not have done it without all the helping hands to place calls to potential donors, pick up items, organize, set up, and cashier at the auction, clean up, and place follow up calls to the winners. And a big THANK YOU to all who made donations to make the auction possible. God has truly blessed our school! A big thanks to some of the students who, whether their parents made them or not, helped with setup and running the silent auction as well. You were most awesome.

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

Thank you to PTL for providing pie for the school staff to enjoy on Pi (π) Day, March 14.

Pi (π) Day Middle school students enjoyed celebrating Pi Day on March 14! They ate pie, recited the number pi, played some pi trivia, and sang some pi songs. Our top Pi memorizer was Bethany who memorized 60 digits of pi! Nice job!
