

Trinity Tidings

March 6, 2023

Principal's Corner

We are celebrating National Lutheran Schools week. What a fun time the students will have. We have the book fair, dress up days, chapel family projects, service projects and we end the week with singing at church and our brunch and silent auction. As we celebrate, we think back to the founding fathers of Trinity congregation and their willingness to start a Lutheran school way back in 1890. Did they have any idea that we would still be strongly teaching God's word to students 133 years later? But we know that God does not change. We are still teaching about the same God, using the same memory work, and teaching the same Bible stories that were taught way back in the 1890's. God also keeps His word and all His promises. We know that if we truly believe in Him, we will not perish, but have eternal life. Even though this week has a lot more activities and will be a little different, it will still be the same in that our focus is on the Triune God: Father, Son, and Holy Spirit. Have a great week celebrating our heritage as a Lutheran school and the one true God.

The AR Challenge for our School ended on Friday.

The **Scholastic Bookfair** starts today, and the kids will get a chance to go there with their class throughout the week. Go to this website to get an eWallet set up so your kids don't have to remember any money and there is no way they can go over budget! You can also shop the school's Virtual Book Fair:

March Chapel Offerings

We are participating in an international mission project that gives kids the opportunity to help other kids across the globe. School expenses can be overwhelming in Africa, so much so that kids often miss out on school just because their parents cannot afford the additional expenses. That is where we come in. Our gifts will be given to the Global Kids Fund to lessen the financial burden on families in southern Africa allowing more children to remain in school. Gifts will help provide school supply kits to African children. For more specifics, refer to the letter sent home with the Trinity Tidings on Friday. Our kids are going to learn about Zambia all week during Lutheran Schools Week and we will collect money for kids in Zambia to be able to get school supply kits!

ZAMBIA TRIVIA:

Ask your children this week if they can answer these questions! They will be learning about Zambia all week!

1. What continent is Zambia located on?
2. What is the name of the *giant* waterfall in Zambia?
3. What's the official language of Zambia?
4. How are the seasons in Zambia described?
5. What are the unique trees in Zambia called?
6. How do some kids "go" to school?

Everyone is invited to the Trinity All-School Spelling Bee for students in grades 1-8, which will take place on **Friday, March 10, at 9 am**, in

the gym. Within each classroom, the students had their own spelling tests to determine participants. The top two winners in each class will compete to be this year's Trinity champion speller. Congratulations to all our winners!
