

# Trinity Tidings

April 17, 2023

**Principal's Corner** I have been reading through the Old Testament and have just finished Nehemiah. Over Easter, Eugenia, Darsie and I went to the play Esther, put on by the Sight and Sound Theater. As I look at both of those stories, Nehemiah and Esther were put into a place by God to do something great for their people. Nehemiah oversaw the rebuilding of the walls of Jerusalem and Esther was able to save her people from total destruction. We look at our world today and we can complain about all the bad things and how things are getting worse, and we would not be wrong. But we can also look at things and know that we have been made for a time like this and God can use us to make the changes we want to see. When we have opportunities, we need to speak up for what is right, for what the Bible says. For as Mordecai told Esther, "Do not imagine that you are safe in the king's palace, you alone of all the Jews. Even if you now remain silent, relief and deliverance will come to the Jews from another source; but you and your father's house will perish." Now I am not saying our families will perish if we do not speak up for God, that is God's place to judge and not mine, but if we do not speak up, we will not receive the blessings He has in store for us for being his faithful people.
