

# Trinity Tidings

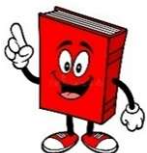

May 22, 2023

**Principal's Corner** We are at the end of the school year and the company where we get our Social Emotional Learning Curriculum sent out an email that said, "Don't count down the days, make the days count." What great advice, not for the end of the school year but for everything we do. Many times, we count down the days to an event waiting for that day to come, when we should be taking advantage of every day God has given us and make each day count. We can do that for ourselves and do it for others, by doing things to make their day count.

## May Chapel Offerings - Adopt-A-Student Scholarship

May's chapel offerings will go to our Adopt-a-Student Scholarship. This scholarship is offered to families not currently attending Trinity Lutheran School to encourage them to enroll their children. Your chapel offering will help provide another family the opportunity that your children have to hear the word of God every day they are in school. Chapel offerings of \$59.85 have been received so far.

**Calling All Books...** Please bring all library books back. Places to look: under the bed, in the closet, in the car, on your bookshelves, under the sofa, at grandma's house, etc.

## Keep These Dates Open for Registration

Registration for 2023-2024 will take place in the gym Early AUGUST! Look for more details coming out over the summer.

Report Cards and MAP Test Results will be given on the last day of school. TO ENSURE RECEIPT OF THE REPORT CARD, be sure to have your tuition and lunch accounts paid and all library books returned by Tuesday, May 24<sup>th</sup>.

**Principal for A Day!** Liviana Lee along with Lochran & Roaran Sheehy had the privilege to share the responsibilities of a school principal for a day last week (under the guidance of Principal Stockman). This opportunity was a result of having a winning bid at our Silient Auction in March. They started off their day with a cup of coffee (hot chocolate) and plans for candy and extra recess for everyone. After announcements, they visited and observed each classroom. Their favorite parts: “getting to do things that students don’t get to do” (Lochran), “handing out lots of candy” (Roaran), and “not having as many boundaries of where I had to be and when” (Liv). They also enjoyed not having homework, pulling the fire alarm, getting to dismiss classes for recess and having Subway for lunch.

+++++

**Preschool** brought some music and entertainment to the Janesville nursing home last week! They always bring smiles with them.

**3<sup>rd</sup> & 4<sup>th</sup> Grade** enjoyed a field trip to the Science Museum of MN last week! All learning and no fun was had! just kidding, they had a blast.
