Principal's Corner In our world today, it seems people like to make comparisons with others. They like to compare sports people from different times, and they will even argue who was the best. Students in the classroom like to compare what they got on a test. Even little children love to tell about all the things their family has or all the stuff they can do. Galatians 6:4-5 says, "Each one should test their own actions. Then they can take pride in themselves alone, without comparing themselves to someone else, for each one should carry their own load." God has made each one of us unique. No two people are exactly the same, even identical twins have differences. God has also given us unique talents and abilities and we are to use the talents we have, to serve God. God did not point out the widow giving the two mites because of the great value, but because of what she gave in comparison to what she had. So instead of looking at others and trying to "keep up with the Joneses", we need to look inwardly to what God has given us and how we are using those talents to serve God.

May Chapel Offerings

Adopt-A-Student Scholarship

May's chapel offerings will go to our Adopt-a-Student Scholarship. We want every family interested in enrolling their children to have the opportunity to attend our school. This scholarship is offered to families not currently attending Trinity Lutheran School to encourage them to enroll their children. This makes it easier for new families who may not know if they can afford Trinity, to decide to enroll their children in our school. Your chapel offering will help provide another family the opportunity that your children must hear the word of God each day they are in school. Last week the chapel offerings totaled \$15.08.

Thank you to PTL and all the parents, volunteers, and students for making the teachers and staff feel extra special during **Teacher/Staff Appreciation Week!**

1st Grade performs their Mom & Me skit.

5th Grade enjoyed a guest speaker – owner of Brat Dogs, Randy Splett and then later in the week, a bike ride to Lakeview Park.

Just a taste of some of the adventures on the 8th Grade Duluth trip.
