

# Trinity Tidings

September 10, 2018

**Principal's Corner** A book I am reading compares our lives here on Earth to going camping. Camping is fun and you can have many of the same amenities as your home, but it is not like home and it is always good to be home. After enjoying a trip or going on vacation, it is always a relief to get back to your home. When we die, we will then go to our permanent heavenly home. Our time here on Earth is like a temporary trip. When we get to heaven we will be in our eternal home, and it will feel better than coming to our earthly homes after a long trip.

**3<sup>rd</sup> Grade Bible Distribution** will take place at Trinity Lutheran Church during the following services:

- Wednesday, Sept. 12 6:30
- Saturday, Sept. 15 6:30
- Sunday, Sept. 16 8:00, 9:15, 10:30

The children will sit with their parents and come forward with their parents for the presentation of their bibles.

## HEROES Fun Run

**10<sup>th</sup> Annual FUN RUN Fundraiser**  
**October 5 12:45-2:45**

Be sure to **gather your pledges from friends and family!** Students may obtain pledges per lap or donations. On the day of the Fun Run, they will run laps around the playground. Our goal is to have 100% student participation and to raise \$16,0000. Monies raised help pay for many items needed for our students.

- If you can donate any type of cookies or a pan of bars (cut a 9 x 13 pan into 12 bars), please drop them off in the multi-purpose room on the morning of October 5.
- PTL will provide a free water bottle to each student and will also sell popcorn, bars, cookies and Gatorade
- We need volunteers. If you can help, please sign up with the SignUp Genius emailed to all parents. Below is the link. It is also posted on Facebook for their convenience.

Supervise Recess for Grades K-4 11:40-12:15:  
A teacher is always outside, but it is nice to have an extra set of eyes. It is ideal if you can commit to the same day each week, but even a day every now and then would help.  
Contact your classroom teacher.

*Be sure to sign your volunteer hours into the 3 ring binder at the event or in the school office.*

**Chapel** Our offerings for September and October will go to support the Liberian Children's Ministry. Contributions from Trinity Lutheran Church and School helped build Trinity Zleh Town School and our ongoing offerings help to supply this school and others in Liberia, through Liberian Children's Ministry. In the first two weeks, \$72.50 has been received. Thank you for sharing what god has first given you!

**Grades 3, 4 & 5** will sing at the Wednesday, September 12<sup>th</sup>, 6:30pm church service.

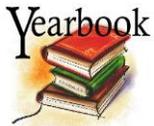

*The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.*

## DRINK MORE WATER

Mrs. Williams' third graders are drinking more water! Just add some fruit and you're on your way to fresh flavors and better health! The first day they added sliced lemons to ice water. The next day, sliced oranges, and then sliced limes. One day they added frozen strawberries! Yummy!

Staying hydrated is very important for kids and adults. Water carries nutrients to cells and helps control our body temperature. Being dehydrated isn't good for our bodies. When we're dehydrated, our bodies and brains are tired, do not function very well, and have difficulty focusing on daily activities. ***So, drink more water and improve your health!***

**2017-2018 Yearbooks** We have extra copies for sale in the office at \$16 each. Just send in payment or stop in the office.

Dive into reading!

**AR: Accelerated Reading** Many families have books at home, and are not sure if they're AR books or not. To find out, just Google:

Accelerated Reader, then click AR Bookfinder US!

Type in the title of the book. (Sometimes you need to type in the author's name.) If it says, "no book found," then it's not an AR book. Otherwise it will show you the Grade Level, and point value!

**2018-19 Energy Assistance with utility bills.** Request an application by calling MVAC 800-767-7139 or by downloading it from [mnvac.org](http://mnvac.org). Applications available to clients Oct 1, 2018. Deadline to apply is May 31, 2019.

### **NWEA Measures of Academic Progress® (MAP®)**

**Testing** will take place on and off between now and September 21. Please be sure your children have healthy breakfasts and adequate sleep. A pep talk about not rushing and reading through the questions carefully would also be appreciated!

MAP Testing presents students with engaging, age-appropriate content. As a student responds to questions, the test responds to the student, adjusting up or down in difficulty. As students answer a question correctly, they get a question of higher difficulty. If the students do not correctly answer the question, the next question will be a little lower in difficulty. Through this process, we will get a better idea of what the student knows. This results in a rewarding experience for the student, and a wealth of detailed information for teachers, parents and administrators.

**Please collect money when the orders are placed, \$13 per ButterBraid.**

Orders due on Tuesday, September 11.

Pick up on Thu, Sept 27, 2pm- 6pm, in the gym.
