Principal's Corner

What is the strongest muscle in the body? If you do a quick internet search you will find that some think it is the masseter, which brings the jaws together, others say the gluteus maximus or the rectus femoris. But which muscle is the most dangerous? According to James, it is the tongue. Just like a small rudder can control a large ship, or a small metal bit in an animal's mouth can control it, James warns that no man can tame the tongue. Many people have been hurt by what another person has said, and many times people say things without thinking and then regret what they said. If you want to try something with you children to let them know that once they say something it is hard to take it back, have them do the toothpaste challenge. Take a tube of toothpaste. Have them squeeze it all out, then tell them to put it all back in. One parent shared with me that they did this with their children and their children's reply was you could put some back in. Yes, sometimes, when we say something, we should not, we can fix what was said. But many times, it is like the toothpaste that is outside the tube. It is really hard to put it back in. We probably all have some "toothpaste" we let out of the tube that we wish we could put back. To build up the body of Christ, we can take a pause before we speak to make sure it will be for the benefit of all, and when someone has said something that hurt us, we can try to practice the same Grace God does when we confess our sins.

Tuesday Talk is an opportunity for parents to talk about the school, talk about God, and talk to God. Principal Wade Stockman will lead this on Tuesday mornings from 8:30 – 9:10 am in the TLC Discipling Center fellowship hall. Come join with other parents for a time of fellowship and getting closer to God.

Grades 3, 4 & 5 will sing at TLC at the Sunday, September 18th, 9:15 am church service.

Picture Day

School Picture Day will take place **Thursday, September 29**. Look for order forms next week.

The purpose of Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

Together with Jesus

2022 Fun Run

14th Annual Fun Run Fundraiser

Friday, September 23, 12:45-2:45

Money due Friday, Sept. 30th by 2:30 pm.

Be sure to *gather your pledges from friends and family!*

Sorry for the confusion last week, our newsletter said "color run", it is NOT a color run. BUT – to play off this year's school theme of "Together with Jesus" we wanted to focus on how we may be different outside but we share a common INSIDE! We are all children of God and together we can do great things for Jesus.

We encourage students to Mix & Match together with their classmates. Ideas: Ketchup & Mustard, Salt & Pepper, Milk & Cookies, Mickey & Minnie, Super Heroes, Sports Teams, Favorite Bible Story Characters, etc. Use your imagination!

Students may obtain pledges per lap or donations. On the day of the Fun Run, they will run laps around the playground. Our goal this year is to have 100% student participation and to raise \$19,000. Monies raised help pay for many items needed for our students.

If you have signed up to donate a pan of any type of bars (cut a 9x13 pan of bars into 12 bars) or cookies, please drop them off in the multi-purpose room on Thursday, September 22, or the morning of Friday, September 23.

- PTL will provide a water bottle to each student and will also sell popcorn, bars, cookies and Gatorade.
- We need volunteers to help sell concessions, mark laps and help set up. If you can help, please sign up with the SignUp Genius that will be emailed to parents soon.
- We hope you can join us for this fun event!

FEATURED CLASS this month:

8th Grade

The 8th Grade class has been investigating energy transfer and transformation in science this past week, using a rollback can.

The elastic potential energy in the rubber band caused the can to “rollback” as it transformed into kinetic energy.
