Principal's Corner

This past Sunday, two of my grandchildren were with me in church. As we were saying the Lord's Prayer, my oldest grandson, who attends Trinity preschool, joined in as we said the end of the prayer. He knew this from being in church and chapel at school. He was not taught it, but from being around it has learned it. It gives me thought, what other things has he and other students in school picked up from just being around it and hearing it. For students at Trinity, we know that they hear God's word, prayer, devotions, and the stories from the Bible. They see teachers that care for them as children of God. The more children are taught about God's word both at school and in the home, the more their faith will grow. Trinity is giving students the opportunity for their faith to grow through daily exposure to the Light of God.

It was someone's birthday last week.....

Join Us! at Crossfire, a youth led opportunity for prayer and praise. Students grades 7th-12th are invited to attend. It is held every 2nd and 4th Sunday evenings, at TLC chapel, 7:30-8:30pm. The next one will take place **September 25th**.

Tuesday Talk Tuesday mornings from 8:30 – 9:10 am in the TLC Discipling Center fellowship hall. Come join with other parents for a time of fellowship and getting closer to God.

Pick up on Thursday, September 22, 3:15pm- 6pm, in the GYM/KITCHEN. Please contact Bruce Mertens with any questions.

Trinity Lutheran School is to equip the child to grow and serve as a disciple of Jesus Christ.

Farm and Home Safety Day

Our 5th graders were able to attend the Farm and Home Safety Day once again at FarmAmerica. This event is sponsored by the Waseca County Farm Bureau and the NRHEG and Waseca FFA chapters. Students from WEM, JWP, NRHEG, Waseca and Trinity Janesville attended safety classes pertaining to lawn mowers, chain saws, and trimmers; ATV's, snowmobiles, and boats; tractors, elevators, and PTO's; electricity, chemicals, and animals. The students witnessed a mock farm accident, where local paramedics and firefighters showed how they help accident victims. Each student received a free t-shirt and information booklet on safety. This valuable education day was free to all students.
